This Dream came forth through the storms in Switzerland the past few weeks. A thunder and lightning storm lasting for hours through the night for several nights causing damage to many towns.

In this dream I first saw a man coming forth towards me and as I saw him, I knew he represented the Underground Church from all across Switzerland.

Second, I saw him and thousands of others coming out of the Underground (Place of Hiding), and as they came out their hiding-place, the hiding-places where closed and sealed up, so they couldn’t go back. The angels were coming out with them and were all around everywhere.

As I awoke for quite some time I was still in this same dream.

Each one of this people who had come out had a window in their hands and were holding it out in front of them looking at it, when I was asking the Lord about it, He said, each window is a “TRUTH”.

Then they came forward with their truth (revealed to them by the Lord, during their time in hiding) and each of the regular people could see who they were and the truth they carried. They all began to put these pieces of Truth together, building a wall with these windows, it reached all across the nation of Switzerland.
Then the people, the regular people came out to see the truth and they were all changed as they received the truth. All the truth (our Lords thoughts for Switzerland) was exposed and every person was changed. As this happened there was an amazing peace, and time was ready for Harvest.

**Ezekiel 22:30 and 13:5**

*So I sought for a man among them who would make a wall, and stand in the gap before Me on behalf of the land, that I should not destroy it; but I found no one.*

You have not gone up into the gaps to build a wall for the house of Israel to stand in battle on the day of the Lord.

A few thoughts from Ueli:

Praise the Lord that there is a people in Switzerland who have accepted the call of the Lord to separate themselves and stand in the gap for our Nation. Many of them have left their Churches, even so they loved them dearly, because too much pollution has entered, you may agree or disagree... some for years some for several decades!

It is now time for all of these precious people to come forth out of hiding like Lazarus came out of the tomb and build the wall and share the pieces of truth they received in their time of hiding, to build a wall of truth in order to prepare our Nation to be ready,
because the Day of the Lord is at hand, even so, *almost in no Churches this is told or even mentioned*.

(by the way can you imagine the testimony Lazarus had after being for four days in Paradise and raised from the dead by the Lord himself??!! He was able to build the wall of Truth to his generation in the most amazing way, which no Pharisee could refute! He later had to go to Cyprus, where he lived for many years, because after the resurrection of our Lord it became too dangerous for him to stay in the Land)

We need to understand Our Lords return is so close and major things who need to be fulfilled before His return are about to come to pass and most people will be taken by surprise, very similar to the generation who was surprised by the flood, unless they are made ready by those who stood in the gap!

Praise the Lord, that the Lord Himself will direct the Underground church to come forth and to put this wall together, this will not be “controlled” by the hand of any man, and this will be His doing.

I sense this very strongly, that’s way I say it here!

May the Lord gives us the grace we need for those who are called to come forth and for those to hear the word, in order to hear and to obey and follow His leading, it is a new path and a new day and it means to step into new Land we have never stepped before, which reminds me the Word which was given to Joshua and the children of Israel as before crossing the Jordan river:
that you may know the way by which you must go, for you have not passed this way before.” Joshua 3:4b

I believe the Lord is leading His Body and Switzerland as a Nation into a new place we have never been before. It’s a time of revealing truth, like many don’t like, but it is the only way to step and walk on the way He has traced before us!

Therefore the word and call of Psalm 24 has never been so accurate as today:

Open up, ancient gates!
Open up, ancient doors,
and let the King of glory enter.
Who is the King of glory?
The L ORD, strong and mighty; the L ORD, invincible in battle.
Open up, ancient gates!
Open up, ancient doors,
and let the King of glory enter.
Psalm 24:7-11 (NLT)
Who is the King of glory?
The LORD of Heaven’s Armies—he is the King of glory. Interlude

Be highly blessed,
